Work Experience & Projects

MERN Stack Developer at Pushideas, Mohali (Internship)

April 2021 to August 2021 (5 months)

- Responsible for building REST APIs with Node.js.
- Designed frontend template in React library.
- Build SEO dashboard from scratch by using SerpApi.

Work-spacee (Project)

March 2020 to August 2021 (1 year)

<https://work-spacee.herokuapp.com>

work-spacee is a combination of Stack Overflow and Github. Work-spacee is especially design for developers cause work-spacee provide all the basic feature in one place like reminder ,save link , notes and many other modules. It is written in express framework in Node.js and for the frontend its uses the EJS template engine and for the database it is integrated with non-relational database MongoDB.

Education

10+2, Delhi Public School, Aligarh

July 2017 - May 2018

Bachelor of Computer Application, Lovely Professional University, Phagwara

August 2018 - May 2021
